"...Angel who recently did something with a dildo on the Howard Stern Show that made the shock jock coin Angel his most outrageous guest ever."

— Tony Giampetruzzi, *IN Newsweekly*

"The bald, tattooed leatherman who likes to puff on a signature cigar, isn't just blowing smoke. He is the first and, apparently, only transgender man to make a name for himself in the world of adult entertainment. And he's proud of it. In fact, not only is Angel proud of who he is and what he does, he is even proud of what he has."

— James Doorne, *Bizarre Magazine*

"Viewing Angel's shaved head, handlebar mustache, muscular physique and many tattoos including "pervert" inked across his broad shoulders, it is hard to think of him as anything but a man..."

— Jacob Anderson-Minshall, *Baywindows.com*

"If you have any doubts that Buck Angel is gay porn's new It ~~Boy~~ Man of 2006, look no further than the poster for this year's Saint At Large Black Party in New York. ...Didn't we tell you he was going to be the Next Big Thing way back when?"

— Fleshbot.com

"At first, I wasn't sure whom this human hybrid was meant to appeal to— women, men, gays or straights. But when I met Buck in the flesh, I discovered he oozes sex appeal. He's also smart, healthy and funny."
